◆ PROFILE

◆ Award nominated audiobook narrator always willing to go the extra mile for every project. Extremely flexible and directable. Truly enjoys the process to complete a project to the directors specifications. Takes pride in every project, whether that is stage, audiobooks, or voice-overs and aims to provide the best quality that a director or producer needs. Keen on creating a voice for each character in a story or providing the embodiment of the character needed by a director.

◆ EXPERIENCE

◆ Audiobooks

"Last of the Exalted" by Derek Prior
"The Botanist" by L.K. Hill
"Dark Remnants – Street Games: Book One" by L.K. Hill
"Thorndragon – A Thorn Caller's Destiny: Book One" by James Wraieith
"The Fated" by Slate Raven
....and 13 additional audiobooks.

◆ Podcasts, Radio Dramas

"Treasure Island" as Adult Jim, Public Domain Players
